Olivari
maniglie
dal 1911
made
in Italy

Dal 1911 Olivari realizza maniglie in Italia,
all'interno dei propri stabilimenti,
dove si svolge l'intero ciclo produttivo.
Partendo da barre in ottone, le maniglie vengono
stampate, lavorate, smerigliate, lucidate,
cromate e marchiate al laser.
Olivari ha ottenuto le certificazioni
ISO 9001 e ISO 14001
e si avvale delle tecnologie più evolute,
ma ha mantenuto tutta la sapienza artigianale
accumulata in cento anni di storia.

Since 1911 Olivari has been manufacturing handles
at its own factories in Italy
where the entire production process takes place.
Starting with brass billets, the handles are forged,
milled, polished, buffed, chrome-plated and
hallmarked with a laser.
Olivari has attained ISO 9001
and ISO 14001 certifications.
Though it uses the most advanced technology,
Olivari preserves all the artisanal wisdom
it has accumulated in 100 years of history.
